

## *Seminars and Meetings on the Rhine* *Strength lies in calmness*

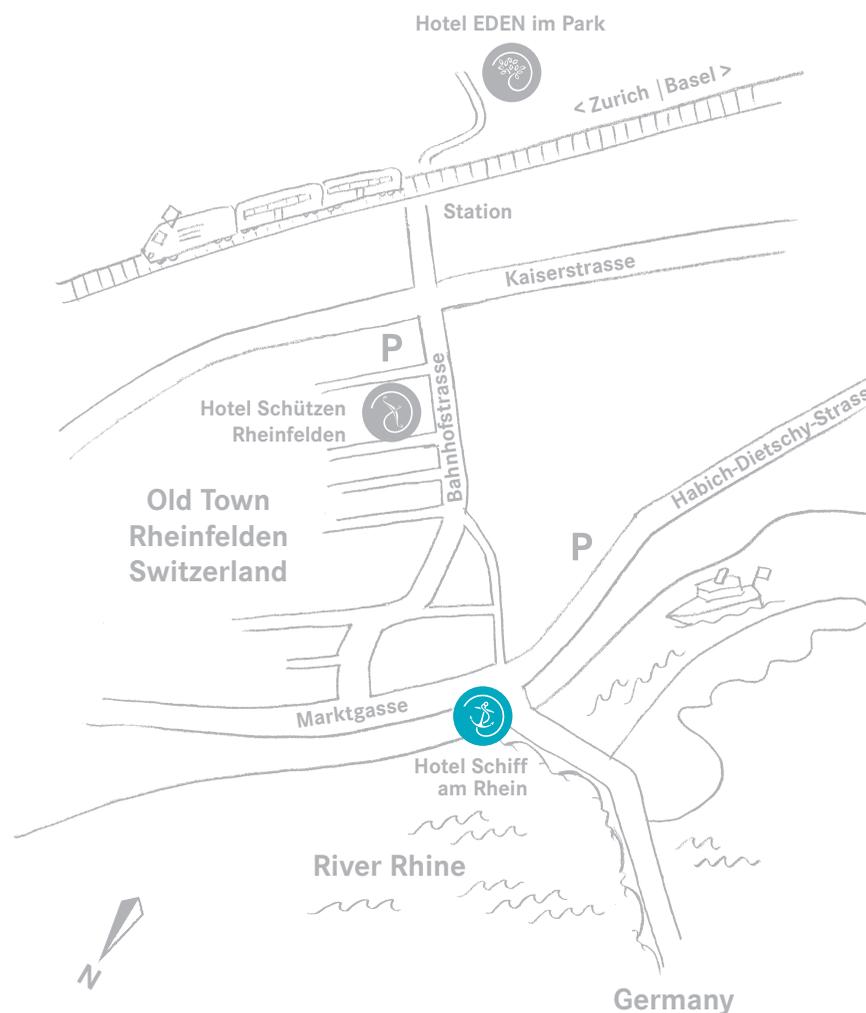

Getting away from the hustle and bustle of the city and an inspiring environment can be essential to the success of seminars, meetings and workshops. Likewise, short travel times, good public and private transport connections (15 min. from Basel, 50 min. from Zurich, 90 min. from Lucerne) are equally important. Criteria that are fulfilled at the Hotel Schiff am Rhein.

We look after factors such as personal advice and support, varied breaks with refreshments and light meals, modern infrastructure and bright and airy seminar rooms with a view. The delightful location directly on the Rhine and in the old town contributes to the success of your event.

Me and my team look forward to welcoming you to our hotel.

Heidy Freiermuth, Hotelière Hotel Schiff am Rhein

*Meetings and Seminars*

## ***Work and Relaxation*** ***The combination for success***

Our hotel offers three seminar rooms in different sizes. Their light and inspiring atmosphere, some with a river view, and the variety of refreshments available during breaks in our ample foyer are guaranteed to spark bright ideas in you and your seminar attendees.

And when the time comes for a well-deserved and longer breather, we can offer you an individual choice of catering that will give your visitors a new burst of energy. We treat you to culinary delights in our light and airy Restaurant Rhyblick. Whether you choose Mediterranean or Swiss cuisine, the majority of the ingredients we use come from the local region.

We are also happy to help you organise an appropriate supporting programme outside the hotel. A massage during lunch break? A relaxed visit to the brine bath at our partner hotel EDEN im Park? A sporting activity such as group Nordic Walking or Aqua Fit? We offer a wide range of options.

### **The town of Rheinfelden**

Our hotel is located in the middle of Rheinfelden's picturesque old town. The oldest «Zähringer» town in Switzerland and the surrounding area offer you a variety of historic sights and interesting destinations for outings. We are happy to organise a tour of the old town, a visit to the Feldschlösschen brewery or the Swiss Saltworks for you. For golf fans there is also a 9-hole golf course nearby.
